HOST INFORMATION

Company Description:

Motel Long Lake & Cottages is a lake-front resort. Located in the most sparsely populated county east of the Mississippi River, the hamlet of Long Lake sits in the center of New York's Adirondack Park.

Created in eastern upstate New York in 1892 as one of the first Forever Wild Forest Preserves in the nation, the Adirondack Park is a unique wilderness area and National Historic Landmark. At 6 million acres, it is the largest publicly protected area in the contiguous United States.
